Pricing & Budgeting

[🔗Freelance Hourly Rate Calculator](#) by FreelanceBoost

[🔗Hourly Rate Calculator](#) by Beewits

Both tools will do (some of) the maths for you. Pick your favourite.

Time & money management

[🔗Prosper Daily Money Tracker](#) (Android & iOS)

[🔗Financial Calculators](#) (handy Android app)

[🔗GnuCash](#), free accounting software for business & personal finance

[🔗RescueTime Lite](#), free time tracking software

You can find in-depth reviews and tutorials for **GnuCash** and **RescueTime Lite** in my free eBook: [21 Free Tools for Translators](#) (2016)

Background checks: Solvency and business reputation

[🔗Better Business Bureau](#) (USA, Canada, Mexico)

[🔗WorldPaymentPracticesFree](#) (payment practices list for translators)

[🔗ProZ.com BlueBoard](#)

Also, check with your local Chamber of Commerce (or other relevant institutions) if there are any local business reputation offices/services available for you.

Background checks: Identity and legitimacy

[Melissadata](#) to check IP address location

[Networker Italy database](#) (links to 160+ institutional websites with company information – search by country)

Note: Networker Italy's database is not localised (only the dropdown menu is). To start your search, select a country from the dropdown menu and click on *Vai!*

To visit the relevant institutional website(s), click on *link* or *link2* (see screenshot).

[Companies House](#) for company information (UK)

[ProZ.com Translator Scam Alert Center](#)

[Translator Scammer Directory](#)
